

INVITATION TO COMMUNITY CONSULTATION

The Green Change Project invites you to attend a community consultation session to help shape the Green Change Project and the Green Change Agents Program.

The Green Change Project is a hub for environmental awareness and community engagement is coming to 2999 Jane Street.

The Green Change Agents Program is part of the Green Change Project.

The purpose of the Green Change Agents Program is to uncover and grow the capabilities and potential in all Jane-Finch residents to transform the way we treat each other and the planet. Through the program, participants are offered opportunities to **build their environmental knowledge**, take **leadership on community projects**, connect with a **network of local mentors**, and create **pathways to employment**.

The Green Change Project is committed to community consultation to collaborate with residents and community partners to contribute and inform the Green Change Agents Program.

The purpose of the community consultation session is:

- to share the vision for the Green Change Agents Program
- to engage with residents and community partners
- to collaborate on the challenges facing the Green Change Project

Members of the project team will be on hand to answer questions.

ALL WELCOME
